

PANDEMIC ELECTRONIC BENEFITS TRANSFER (P-EBT)

Pandemic Electronic Benefits Transfer (P-EBT) is a program to help you purchase food for your child(ren) who were eligible for free or reduced price school meals at a school that participates in the National School Lunch Program (NSLP) or School Breakfast Program (SBP). Summer P-EBT extends benefits during the summer months following a school year during which there was a COVID-19 public health emergency.

To receive P-EBT benefits for summer 2023, children must be:

- Eligible for free or reduced price school meals under National School Lunch Program (NSLP) or School Breakfast Program (SBP) as a student in grades K-12: or,
- Determined newly eligible for free or reduced price school meals during the covered summer period (not including incoming Kindergarten students in the 2023-2024 school year); or,
- Attending a school that participates in the Community Eligibility Provision.

If your child(ren) are not signed up for free or reduced price school meals, you will have until the date below to submit an application to your school or to verify your information on file to be eligible for Summer 2023 P-EBT:

APPLICATION SUBMISSION DEADLINE:

Monday, June 5, 2023

HOW DO I RECEIVE MY P-EBT BENEFITS?

- The date you will receive benefits depends on when your child(ren)'s school submits their data.
- Your school can begin submitting information as early as June and the first payments may arrive as early as the end of June 2023.
- All summer P-EBT benefits will be paid by the end of September 2023.
- If you are a SNAP recipient, benefits will be added to your Families First card. If you are not a SNAP recipient, your benefits will be issued to your most recently issued P-EBT card. If you never received P-EBT, you will receive a new card in the mail. If you need a replacement card, contact your county board of social services.
- Visit the P-EBT page on www.NJSNAP.gov for full details about summer P-EBT payments and a list of county boards of social services where you can get a replacement P-EBT card, if needed.

HOW DO I USE MY CARD?

For most recipients, benefits will be added to your Families First card or your most recently issued P-EBT card. If you never received P-EBT benefits, a reloadable P-EBT card, similar to a bank card with a PIN, will be mailed to you. If you need a replacement card, contact your county board of social services. A list of county boards can be found on www.NJSNAP.gov.
