

*SALEM COUNTY SPECIAL SERVICES
2024-2025 DISTRICT GOALS*

SCSSSD Goal #1

Re-assess programs offered throughout the district, including enterprise programs, to determine if they are meeting the target goals of their mission. Enterprise audits, enrollment reports and financial data will be utilized to determine both financial and programmatic viability for programs within SCSSSD.

SCSSD District Goal #2

Complete a comprehensive review of expenses concerning online resources. Review will identify duplications and give district the ability to consolidate resources. Resource expenses will be reviewed to determine cost efficiency.

SCSSSD Goal #3

Continued implementation of staff evaluations through Genesis system and provide professional development and trainings for administrators to ensure consistent and accurate observations of staff.

SCSSSD District Goal #4

Implement Maximizing Post Secondary Outcomes programming across the district. Develop program to maximize impact for the students across the district.

Salem County Vocational-Technical School
District
2024-2025 District Goals

SCVTS District Goal #1

Develop action plans to decrease the number of chronically absent students by 5%.

SCVTS Goal #2

District will conduct a comprehensive review of technology plan and re-establish a plan for current timeframe and the future to ensure the district meets the curriculum, programmatic and infrastructure needs of the district.

Approximately 46 Smartboards (every classroom) have been purchased and installed into classrooms. Training being researched by CAO for staff to implement/infuse technology and instructional strategies into lessons.

SCVTS Goal #3

Adult-Post Secondary program launch Mechatronics Program in September and address all infrastructure needs for the 2025-2026 program year.

SCVTS Goal #4

District will continue to implement all staff evaluations through Genesis System and provide professional development and trainings for administrators to ensure consistent and accurate observations of staff.
