No pupil shall be denied access to or benefit from any educational program or activity or from a co-curricular or athletic activity on the basis of the pupil's race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability. The Board shall assure that all pupils are free from harassment, sexual or otherwise.

The Board directs the Superintendent to allocate faculty, administrators, support staff members, curriculum materials, and instructional equipment supplies among and between the schools and classes of this district in a manner that ensures equivalency of educational opportunity throughout this district. The school district's curricula in the following areas will eliminate discrimination, promote mutual acceptance and respect among pupils, and enable pupils to interact effectively with others, regardless of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability:

Equal Educational Opportunity

Affirmative action shall be taken to ensure that pupils are protected from the effects of discrimination, in accordance with Policy No. 2260. Pupils who experience less than equal educational opportunities or experience discrimination shall use the procedure established by Regulation No. 5750 to report and appeal any harassment or discriminatory practice.

The conduct of teaching staff members shall exemplify the highest principles of equality and democracy. Conduct and attitudes that display discrimination are contrary to the policies of this Board and, further, are destructive to the self esteem that this Board wishes to encourage in all pupils. A teaching staff member's act of derision or enmity, in any form, against a person or persons on the basis of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability shall be considered to be conduct unbecoming to a professional staff member of this district and shall be subject to appropriate discipline.

The Superintendent shall develop and promulgate a procedure by which a pupil or parent may appeal Board policy, district practice, or the act or omission of any district employee that allegedly violates this policy.

Sexual Harassment

5751 SEXUAL HARASSMENT

The Board of Education will not tolerate sexual harassment of pupils by school employees, other pupils, or third parties. Sexual harassment of pupils is a form of prohibited sex discrimination. School district staff will investigate and resolve allegations of sexual harassment of pupils engaged in by school employees, other pupils (peers), or third parties.

The Board shall establish a grievance procedure through which school district staff and/or pupils can report alleged sexual discrimination, including sexual harassment which may include quid pro quo harassment and hostile environment.

Definitions:

1. Quid pro quo harassment occurs when a school employee explicitly or implicitly conditions a pupil's participation in an educational program or activity or bases an educational decision on the pupil's submission to unwelcomed sexual advances, requests for sexual favors, or other favors, or other verbal, nonverbal, or physical conduct of a sexual nature. Quid Pro Quo Harassment is equally unlawful whether the pupil resists and suffers the threatened harm or submits and thus avoids the threatened harm.
2. Hostile environment sexual harassment is sexually harassing conduct (which can include unwelcomed sexual advances, requests for sexual favors, or other favors, or other verbal, nonverbal, or physical conduct of a sexual nature) by an employee, by another pupil, or by a third party that is sufficiently severe, persistent, or pervasive to limit a pupil's ability to participate in or benefit from an educational program or activity, or to create a hostile or abusive educational environment.

This Policy protects any "person" from sex discrimination; accordingly both male and female pupils are protected from sexual harassment engaged in by school district employees, other pupils, or third parties. Sexual harassment, regardless of the gender of the harasser, even if the harasser and the pupil being harassed are members of the same gender is prohibited. Harassing conduct of a sexual nature directed toward any pupil, regardless of the pupil's sexual orientation, may create a sexually hostile environment and therefore constitute sexual harassment. Nonsexual touching or other nonsexual conduct does not constitute sexual harassment.

The regulation and grievance procedure shall provide a mechanism for discovering sexual harassment as early as possible and for effectively correcting problems.

Sexual Harassment

The Superintendent, or designee, will take steps to avoid any further sexual harassment and to prevent any retaliation against the pupil who made the complaint, was the subject of the harassment, or against those who provided the information or were witnesses. The school district staff can learn of sexual harassment through notice and any other means such as from a witness to an incident, an anonymous letter or telephone call.

This policy and regulation on sexual harassment of pupils shall be published and distributed to pupils and employees to ensure all pupils and employees understand the nature of sexual harassment and that the Board will not tolerate it. The Board shall provide training for all staff and age-appropriate classroom information for pupils to ensure the staff and the pupils understand what type of conduct can cause sexual harassment and that the staff know the school district policy and regulation on how to respond.

In cases of alleged harassment, the protections of the First Amendment must be considered if issues of speech or expression are involved. Free speech rights apply in the classroom and in all other programs in the public schools. The Superintendent, or designee, will formulate, interpret, and apply the policy so as to protect free speech rights of staff, pupils and third parties.

In addition, if the Board accepts federal funds, the Board shall be bound by Title IX of the Education Amendments of 1972 prohibiting sexual harassment of pupils. Title IX applies to all public school districts that receive federal funds and protects pupils in connection with all the academic, educational, extra-curricular, athletic, and other programs of the school district, whether they take place in the school facilities, on the school bus, at a class or training program sponsored by the school in a school building or at another location.

Equity In Pupil Access

The school district administration will ensure: that all pupils will have equal and barrier-free access to all school and classroom facilities, that minority and female pupils are not under-represented in gifted and talented or accelerated/advanced courses and that minority and male pupils are not over-represented in detentions, suspensions, expulsions, dropouts, or special needs classifications. Support services will be available to all pupils and that all limited English-proficient pupils and pupils with disabilities will have equal and bias-free access to all school programs and activities. The school district will ensure equal and bias-free access for all pupils to computers, computer classes, vocational education classes, and technologically-advanced instructional assistance, regardless of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability.

The Board of Education will refrain from locating new facilities in areas that will contribute to imbalanced, isolated, or racially identifiable school enrollments. The school district administration will assign pupils to ensure that the racial/national origin composition of each school's enrollment reflects the composition of the district-wide enrollment and so that school and classroom enrollments are not identifiable on the basis of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability.

Pupils will not be separated or isolated by race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability within schools, courses, classes, programs, or extracurricular activities. Bias-free multiple measures for determining the special needs of language-minority pupils and pupils with disabilities will be utilized. Pregnant pupils will be permitted to remain in the regular school program and activities and if not permitted to attend school by her doctor, the pupil will be provided equivalent instruction.
